

As a kid I always called Casserole a Stew (In a sort of descending voice ? to be honest!) So if like me you're not too keen on a great deal of liquid on your plate. There's always a very quick and filling way to deal with it.

- (1) [Make your Casserole.](#)
- (2) [Make a Giant Yorkshire Pudding.](#)
- (3) Serve the Casserole in the Yorkshire Pudding with mash Potatoes and Vegetable.
- (4) **Pretend you've just spent £15 a head in a Country Pub!**
